change
lives!**

ChildFund supports deprived, excluded and vulnerable children and youth to grow up healthy, educated and skilled for over four decades.

“Sri Lanka Gives Back” is a campaign to engage Sri Lankans in lending hand to support deprived children and youth.

We support **750 youth** with disabilities in **Moneragala, Mullaithivu, Puttalam, Mannar and Nuwara Eliya.**

Upskilling youth with disabilities to engage in professions of their choice

Through this initiative, **ChildFund,**

 Identifies and organize youth with disabilities and their families for rehabilitation

 Develop career plans, train them on trade or employment skills

 Provide on the job training

 Employ or provide support to start family income

We invite you to join hands with us to be a partner in change. Your little contribution will make a big difference and will go towards change where it's needed the most.
